

our team profile

# Loren Ring

Meet Loren Ring. Mrs. Ring committed her life to the Lord as a teenager and truly has a servant's heart. Mrs. Ring acquired her degree in Fine Arts and will be assisting in our Pre-K program, as well as using her creative gifts on the administrative side of 12 Academy.

Prior to becoming a stay at home mom, Mrs. Ring served as a Manager at the Oklahoma Food Bank and organized volunteers who helped with FOOD FOR KIDS, a local program which allowed our community children to go home from school on weekends with a backpack full of food. Mrs. Ring is looking forward to watching our students discover their own gifts as given to them by their Creator.
