

our team profile

# Brooke Johnston

Meet Brooke Johnston.

Mrs. Johnston was raised in church, but truly came to know the Lord as an adult. Her degree is in Health and Physical Education and she has taught 1st grade and Leadership at the Middle School since her graduation. Mrs. Johnston will be teaching Reading and PE. She is passionate about her relationship with the Lord and studying God's Word.

Her greatest hope for 12 Academy is her children and others will form lifelong, God-centered friendships that will last them a lifetime. She also hopes to see a community of families who stand together as they navigate these years with their children.
